THE 26TH ANNUAL STEVE CHASE HUMANITARIAN AWARDS

PLEASE HELP TO CREATE AN AIDS-FREE FUTURE

Desert AIDS Project
Desert AIDS Project has earned a national reputation as a one-of-a-kind AIDS service organization. With an 11,000-square-mile service area – roughly the size of the state of Massachusetts – some clients travel from as far away as Blythe on the Arizona border, as well as from the cities, towns and rural areas of San Bernardino, Riverside and Imperial Counties.

For 26 years, the Steve Chase Humanitarian Awards gala has raised millions of dollars for direct client services at Desert AIDS Project. With government funding fluctuating and vulnerable, D.A.P. needs your help more than ever before to provide essential services, while helping to curb the further spread of HIV.

First organized by and named for famed interior designer Steve Chase — also a D.A.P. donor, volunteer, and board member — these galas are a highlight of the desert community’s social season!

Just a few of the honorees, award presenters, and entertainers in the past years have included Ann-Margret, Annette Bloch, Diahann Carroll, Carol Channing, Kristin Chenoweth, Joan Collins, Melissa Etheridge, Queen Latifah, Andy Linsky, Wynonna Judd, George Hamilton, Tom Hanks, Senator Ted Kennedy, Patti LaBelle, Angela Lansbury, Judith Light, Shirley MacLaine, Bob Mackie, Barry Manilow, Harold Matzner, Liza Minnelli, Prof. Luc Montagnier, Megan Mullally, Pauley Perrette, Debbie Reynolds, Archbishop Desmond Tutu, and Dionne Warwick.
Some of the biggest and brightest names in entertainment and philanthropy have graced the Steve Chase Humanitarian Awards stage; each one sharing their amazing light, love, generosity and talent to raise vital funds for Desert AIDS Project.

WE THANK YOU!
Your compassionate support empowers Desert AIDS Project to think globally and act locally. By joining us at the Steve Chase, you join us in our commitment to 90-90-90, the bold strategy set forth by the Joint United Nations Programme on HIV and AIDS (UNAIDS) to end the AIDS epidemic by 2030.

BY ATTENDING THE 26TH ANNUAL STEVE CHASE HUMANITARIAN AWARDS, YOU’RE HELPING TO MAKE HEALTH HAPPEN IN THE COACHELLA VALLEY.

Your compassionate support empowers Desert AIDS Project to think globally and act locally. By joining us at the Steve Chase, you join us in our commitment to 90-90-90, the bold strategy set forth by the Joint United Nations Programme on HIV and AIDS (UNAIDS) to end the AIDS epidemic by 2030.
**BY 2020, 90% OF ALL PEOPLE LIVING WITH HIV WILL KNOW THEIR HIV STATUS.**

People can carry the HIV virus for years and not know it. The only way to know if you have HIV is to get tested. Your support enables D.A.P.'s Get Tested Coachella Valley program to provide free and confidential HIV testing at hundreds of community events and dozens of test sites – from health fairs and food banks to Walgreens and D.A.P.'s sexual health clinic, The DOCK.

**BY 2020, 90% OF ALL PEOPLE WITH DIAGNOSED HIV INFECTION WILL RECEIVE SUSTAINED ANTIRETROVIRAL THERAPY.**

When someone with HIV is on the appropriate medications, they become 96% less infectious to others. Thanks to your attendance at this and other fundraising events, Desert AIDS Project ensures that newly-diagnosed HIV positive patients receive the medications they need to survive and thrive, along with regular follow-ups to safeguard their well-being. Our Patient Assistance Program secures critical HIV and other medications at reduced cost.

**BY 2020, 90% OF ALL PEOPLE RECEIVING ANTIRETROVIRAL THERAPY WILL HAVE VIRAL SUPPRESSION.**

To suppress the virus to an undetectable level, an individual must start on medication as early as possible and stay on it for a lifetime. This can be challenging when facing other serious complications. That’s the driving force behind D.A.P. Total Care - our comprehensive combination of health and wellness services that we uniquely tailor to each individual - including medical, dental, mental health, social services, support groups, substance abuse counseling, and much more - all conveniently provided under one roof at our Palm Springs location.

Thank you for attending the 26th Annual Steve Chase Humanitarian Awards, for sharing our commitment to this bold strategy, and for becoming our partner in reaching the end of the epidemic.

Your generous support enables Desert AIDS Project’s dedicated team of medical and social service professionals to serve more than 7,000 individuals. Together with you, we’re enhancing their health and wellness, and that of our entire community.
Our point of difference is that we provide all essential services — medical/dental/behavioral/home-health care, social support programs like food and housing, and so much more — all under one roof.

Although located in Palm Springs, our 11,000-square-mile service area stretches from the cities, towns, and rural areas of Riverside, San Bernardino and Imperial Counties.

D.A.P. has been named among the “Top HIV/AIDS Charities” for its high percentage spent on programs vs. overhead (82%) fundraising efforts, and financial transparency. Charity Navigator, America’s largest charity evaluator, has awarded D.A.P. “Four-Star Status” for six consecutive years — achieved by only 7% of all non-profits they rank.

We continue to lead the way in disease prevention with Get Tested Coachella Valley and our clinic for sexually transmitted diseases.

Fifty new clients walk through our doors each month. Your support helps provide high-quality care to our 7,000 current clients.

HELP US GIVE A VOICE TO THE OFTEN-FORGOTTEN.
